3300 Pine Lake Rd • West Bloomfield, MI

Pine Lake was founded in 1902, as the Automobile Club of Detroit, by Michigan automotive icons John Dodge, Ransom Olds and Henry Ford. The friends and business competitors first came across the property when they fled the city on weekends destined for an overnight camping spot on Pine Lake. Back then, the drive from Detroit was a half-day journey so they camped on the property of George and Agnes Hodges. The founders purchased the property for the future clubhouse of Pine Lake.

In 1917 the first seven holes were established. The 9-hole course was completed in 1919. In 1921 the club name was officially changed to Pine Lake Country Club. Since that change, the club has added on another 9-holes creating a championship course designed by professional golf legend, Willie Park Jr.

As time passed, other additions were made including the Olympic size swimming pool, indoor and outdoor tennis courts, the Lake Room

ballroom and formal dining areas. What began as the Automobile Club of Detroit, has transformed through the years into the premier family-oriented club that so many are proud to call home.

The Willie Park Jr design, 18-Hole Championship Golf Course is a full regulation par 72 course. The course is situated in a picturesque setting offering an outstanding practice green and one of the area's only full compression golf ball driving ranges.
